PRINCESSES & SUPERHEROES
Men, Women and America in the 20th Century

Comic Books and Disney Princesses provide us a window into what America is, was, and wants to be. Using a choose-your-own adventure game format of audience participation we will examine a host of different superheroes and princesses to examine culture, art, identity, and Americana. From Black Panther to Wonder Woman, from Snow White to Moana, from Avengers and Justice Leaguers to ‘Let it Go’ sing-a-longs we will have a fun, informative, and enlightening examination of some of America’s most famous characters.

Join us for a night of discovery and fun as we learn about ourselves, our values, and our culture.
